- Prompt Engineering.
- Web development.
- Open Source contribution
- Data Structure.
- Artificial intelligence.
- Java Programming.
- Python Programming.
- JavaScript Programming.
- App Development
- Node JS .
- C++ Programming.

Soft Skill

- Observation
- Decision making
- Communication
- Multi-tasking

Education Background

- **Saraswati Shishu Vidya Mandir Polaykalan (M P)**

  10th class
  Completed in 2019

- **Government excellence school Polaykalan (M P)**
  12th class
  Completed in 2021

- **Malwa Institute of Technology Indore**
  Bachelor of Technology, Major in Software development, Minor in Data Analytics

  Completed in 2025

Objective

I am Ramgopal Prajapati, currently pursuing a Bachelor of Technology degree at Malwa Institute of Technology, Indore. In addition to my academic pursuits, I have completed comprehensive AI and Web Development courses on platforms like Udemy and Coursera. My expertise lies in Prompt Engineering , web development, with a strong command of HTML, CSS, JavaScript, Java, Python, and AI technologies. I possess a robust understanding of Object-Oriented Programming and database management.
I am now actively seeking opportunities to kickstart my career and transform my aspirations into reality. I also worked on open source contribution programs.
